

PRESS RELEASE

**BANCA SISTEMA: LAUNCH OF A SHARE BUY-BACK PLAN TO SUPPORT THE LIQUIDITY OF THE STOCK**

Milan, 22 June 2018

The Board of Directors of Banca Sistema, during the meeting held today, having been authorized by Shareholders at the Bank's Shareholders meeting held on 27 April 2017 to purchase and use treasury shares, approved the launch of a share buy-back program aimed to support the liquidity of the stock.

The share buy-back program for the above mentioned purposes, in compliance with the resolutions passed by Shareholders, has the following features:

- the program's purpose is of a purchase/sale of its own shares up to a maximum amount of Euro 40,000.00;
- the program will be completed by 27 October 2018;
- share buy-backs shall be performed in compliance with the operating conditions and the procedures established by the accepted "market practices" issued by Consob pursuant to Article 180, Paragraph 1, letter c), of Legislative Decree 58/1998 (following "TUF"), by provisions of article 5 of Regulation 596/2014, of the Commission Delegated Regulation (EU) n. 2016/1052 as well as by the applicable regulations on "market abuse", as resolved by the aforementioned Shareholders' Meeting of 27 April 2017 and in line with additional limitations resolved by the Shareholders. In particular: (i) purchases may be carried out, even in more tranches, at a minimum price not lower than 15% - and a maximum price not higher than 15% - compared to the price reported on the last working day of each week as the average of the official Banca Sistema closing stock price of the last two weeks of the TARGET calendar preceding the average price calculation day. The minimum and maximum price will be effective throughout the period starting on the day after the average price calculation day and ending on the day the new weekly price is determined (included); (ii) should the shares that have been bought back be resold, this can take place even in more tranches and even prior to having purchased the maximum amount of purchasable shares, at a price not lower than 85% of the average carrying price of the entire own-share portfolio of Banca Sistema, including those purchased for other purposes, as reported the day prior to the day of the single selling transaction;
- purchases/sales will be carried out according to the procedures provided for in Article 144-bis, Paragraph 1, letter b), of the Issuers Regulation and to applicable provisions, in order to ensure the equal treatment of shareholders according to art. 132 of TUF and in compliance with applicable regulations and the market practices allowed by Consob in accordance with article 13 of the EU Regulation no. 596/2014.

### Banca Sistema

Banca Sistema was founded in 2011, as a bank specialized in financing and managing trade receivables owed by the Italian Public Administrations, thereby entering a sector of the Italian financial system aimed at granting liquidity to corporate entities in their business dealings with the PA's, mainly through factoring and credit management services.

With main offices in Milan and Rome, during this time Banca Sistema has extended its activities and services available both to business and retail Clients.

As an independent financial operator characterized by a diversified business model, Banca Sistema can offer, today, recourse and non-recourse factoring services. This includes receivables between private companies, yearly and quarterly VAT receivables refunds, current accounts, time deposits with durations up to 10 years, pawnbroking, guarantees, securities deposit, reverse factoring, certification of Public Administration credits, salary and pension backed loans.

The Bank is also active in the purchasing and management of non-performing financial and trade receivables as well as management and debt recovery from individuals, thanks to its stake in the capital of Axactor Italy S.p.A. and in its controlling company Axactor AB, listed to the Oslo Stock Exchange.
